ARC-DS
Ambulatory Research in Cognition

THE LonDownS CONSORTIUM

KING'S College LONDON

Want to help research on cognition in Down Syndrome?

Join the ARC-DS Study!

Meet our mascot, Bobby Brains! He loves to play games on the ARC-DS app.

How many did you count?

1 2 3

4 5

Which one matches?

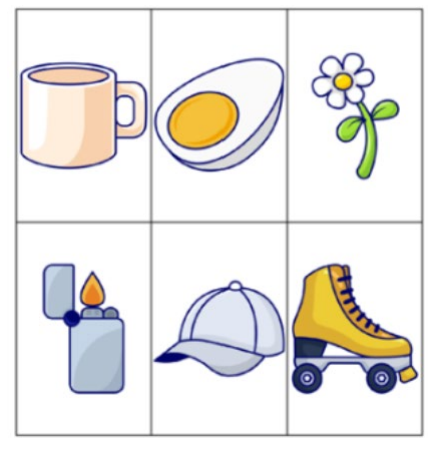

Drag the rollerskate into the box

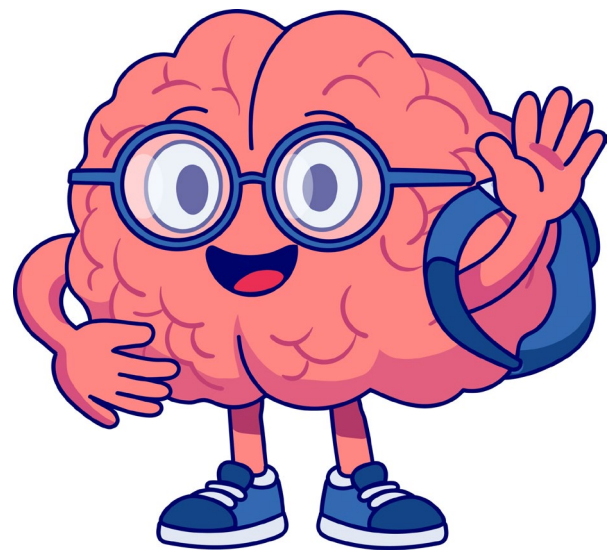

Which of these items did you put in the box?

Press the black button when you're done.

But Bobby Brains has lost his hat! Can you help him to find his hat by completing the games and earning points?

To help Bobby Brains and take part in our research, email us at:
